INVESTING IN OUR FUTURE

Proceeds from the tournament are distributed by FEEF directly back into Fairhope's five public schools.

These funds provide programs and equipment to our students and teachers that are not made possible through traditional funding the schools receive.

Funds raised through this event last year allowed FEEF to continue to provide the following programs:

- Pelican's Nest Science Lab
- Art, reading and STEAM lab equipment for Fairhope Elementary students
- Hands-on discovery science labs at Fairhope Intermediate and J. Larry Newton
- Guitar and choral classes in addition to a new piano lab for Fairhope Middle
- Upgrades for the art, choral, dance and band classes, engineering tools and the Black Box Theater at Fairhope High School.
