

Summer Enrichment Camps

Learn More and Register at www.feefonline.org

Registration Deadline May 1, 2019

MAY 28-31

Go Hi-Tech with Lego Robotics & Ozobots

9 am - 12 pm, Fairhope Intermediate, \$125
Age: Rising 3rd-8th (will be in 3rd-8th grades in 2019-2020 school year) Teacher: Trina Jackson
Campers will let their imaginations run wild as they create, design and program lifelike robots using the engineering design process.

JUNE 3-6

Go Hi-Tech with Lego Robotics & Ozobots

9 am - 12 pm, Fairhope Intermediate, \$125
Age: Rising 3rd-8th (will be in 3rd-8th grades in 2019-2020 school year) Teacher: Trina Jackson
Campers will let their imaginations run wild as they create, design and program lifelike robots using the engineering design process.

STEAM: All Aboard the Hands-On Engineering Exploration Express

1 pm - 4 pm, Fairhope Intermediate, \$125
Age: Rising 3rd-8th (will be in 3rd-8th grades in 2019-2020 school year) Teacher: Trina Jackson
Campers will have a hands-on learning adventure as they create and construct various engineering models to find out why and how things are made.

Strategy Games Camp

9 am - 12 pm, Fairhope Intermediate, \$125
Age: 9-13 Teacher: Abbie Koert
Campers will learn strategic board games to build reasoning, problem solving, critical thinking and cooperation skills and create their own board game prototype to challenge others.

JUNE 10-13

June 10, 11, 12, or 13

AP World History Workshop (1 Day Only Camp)

9 am - 12 pm, Fairhope High, \$50
Age: 9th Graders Teacher: Susanne Mahone
Students will work on summer assignment, sample test questions, analyze documents and learn everything they need to know about the AP exam.

Introduction to Biology

9 am - 12 pm OR 1 pm - 4 pm, Fairhope High, \$125
Age: 9-12 Teacher: Lori Havard
Hands-on learning about Decomposers: Earth's Best Friends, The Human Body: from Head to Toe, Land & Water Creatures, and Let's Dive Into the Ocean

#STRONG Girls

9 am - 12 pm, Fairhope Intermediate, \$125
Age: 8-11 (Girls Only) Teacher: Beth Kirtland
This girls only camp will build self confidence through character building activities, including art, encouragement and exercising with yoga and cardio dancing. *Campers will need to bring white t-shirt for tie-dye project.

SuperHero Crime Detectives

9 am - 12 pm OR 1 pm - 4 pm, Fairhope High, \$125
Age: 1st-3rd Graders Teacher: Tricia Hudson
Each day a new superpower's crime stopping technique (footprints, fingerprint patterns, ink testing) uses the power of science, creative stories and drama to discover a forgery, secret and other mysteries.

The Fairhope Music Makers 101 - Piano Camp

9 am - 12 pm, Fairhope High, \$125
Age: 8-11 Teacher: Diane Ham
Hands-on introductory class to learn beginning piano skills, basic rhythms, time signatures and intervals.

JUNE 10-13

The Great State of Alabama

9 am - 12 pm, Fairhope Intermediate, \$125
Age: 9-12 Teacher: Rebecca Farmer
Explore Alabama, have Native American Day, explore the Civil Rights Movement and celebrate AL turning 200 through art, reading, break-out boxes & a birthday party.

JUNE 17-20

"Booking Through Alabama" A Bicentennial Celebration!

9 am - 12 pm, Fairhope Intermediate, \$125
Age: K-6 Teacher: Leah Washington
Celebrate Alabama's 200th birthday through reading, art, writing and more to learn the stories of our people, land, and history, and a special visit from a local AL author.

Eye to Eye with the Private Eye!

9 am - 12 pm OR 1 pm - 4 pm, Fairhope High, \$125
Age: 3rd-5th Graders Teacher: Tricia Hudson
Be an inventor, collaborator and traveler with the Private Eye. Using magnifiers and microscopes you will explore the micro-world and make observations that will spark works of art, science investigations and creative writing.

Eye to Eye with the Private Eye!

1 pm - 4 pm, Fairhope High, \$125
Age: 7th-12th Graders Teacher: Tricia Hudson
Be an inventor, collaborator and traveler with the Private Eye. Using magnifiers and microscopes you will explore the micro-world and make observations that will spark works of art, science investigations and creative writing.

FUNDamentals of Geometry

1 pm - 4 pm, Fairhope High, \$125
Age: Rising 9th-10th (will be in 9th-10th grades in 2019-2020 school year) Teacher: Kathy Williams
Geometry is an essential building block and powerful logical reasoning tool. Campers will build skills through games, activities and interactive websites.

Summer Enrichment Camps

Learn More and Register at www.feefonline.org

Registration Deadline May 1, 2019

JUNE 17-20

Introduction to Biology

9 am - 12 pm OR 1 pm - 4 pm, Fairhope High, \$125

Age: 9-12 Teacher: Lori Havard

Hands-on learning about Decomposers: Earth's Best Friends, The Human Body: from Head to Toe, Land & Water Creatures, and Let's Dive Into the Ocean

The Fairhope Music Makers 101 - Piano Camp

9 am - 12 pm, Fairhope High, \$125

Age: 13-18 Teacher: Diane Ham

Hands-on introductory class to learn beginning piano skills, basic rhythms, time signatures and intervals.

The Great State of Alabama

9 am - 12 pm, Fairhope Intermediate, \$125

Age: 9-12 Teacher: Rebecca Farmer

Explore Alabama, have Native American Day, explore the Civil Rights Movement and celebrate AL turning 200 through art, reading, break-out boxes & a birthday party.

JUNE 24-27

Bake and Play

9 am - 12 pm, J. Larry Newton, \$125

Age: 3rd - 6th Graders Teacher: Laura Dendy

Campers will make snacks and outdoor games they can take and share at home. Examples are colored/shaped rice crispy treats, yard memory game, homemade bubbles, tic-tac-toss, yard twister and more.

Boredom Buster Camp

9 am - 12 pm, J. Larry Newton, \$125

Age: 3rd-6th Graders Teacher: Brooke Owens

Each day consists of a team building activity, craft, indoor and outdoor activity. These activities will be used to create Boredom Buster Jars that can be used all summer.

JUNE 24-27

Chemistry Your Mom Won't Let You Do At Home

9 am - 12 pm OR 1 pm - 4 pm, Fairhope Intermediate, \$125

Age: Rising 4th-5th (will be in 4th-5th grades in 2019-2020 school year) Teacher: Nancy Tuttle

Explore the exciting world of Chemistry with fun (and messy) activities. Learn about solids, liquids, gases, chemical reactions while making volcanoes, slime and solving crimes.

Introduction to Robotics

1 pm - 4 pm, Fairhope High, \$125

Age: 6th-12th Graders Teacher: Robert Harrison

Campers will build and program a robot to perform tasks, discuss the future of robotics and where students may encounter them in the workplace and daily life.

JULY 8-11

Animals, Characters & Crayons: Story Writing Camp

9 am - 12 pm, Fairhope Elementary, \$125

Age: 7-10 Teacher: Leah Willisson

Campers will become authors as they write and illustrate their own hardback animal book. A professional artist and storyteller will visit camp to inspire their creations.

Chemistry in the Kitchen

9 am - 12 pm OR 1 pm - 4 pm, Fairhope Middle, \$150

Age: 4th-6th Graders Teacher: Amy Smith

Cooking is chemistry! Campers will use the scientific method to see science come alive in the kitchen with experiments you can eat. *This camp can not accommodate food allergies

Introduction to Robotics

9 am - 12 pm, Fairhope High, \$125

Age: 6th-12th Graders Teacher: Robert Harrison

Campers will build and program a robot to perform tasks, discuss the future of robotics and where students may encounter them in the workplace and daily life.

JULY 8-11

Makerspace Magic with Kibo Robots

9 am - 12 pm, Fairhope Elementary, \$125

Age: Rising 1st & 2nd (will be in 1st-2nd in the 2019-2020 school year) Teacher: Hilary McKinney

Campers will build art, code and play with the Kibo robot in the makerspace. They will design, decorate and bring their robot to life without screen time.

Wonders of the Bay!

1 pm - 4 pm, Pelican's Nest Science Lab, \$125

Age: Rising 1st & 2nd (will be in 1st-2nd in the 2019-2020 school year) Teacher: Kacie Hardman & Anne Frost Kennedy

Campers will take a trip to Mobile Bay to collect and examine specimens, use the makerspace and robots to create models of marine creatures and explore and create a model of the ecosystem.

*All campers must be able to swim.

JULY 22-25

Introduction to Robotics

1 pm - 4 pm, Fairhope High, \$125

Age: 6th-12th Graders Teacher: Robert Harrison

Campers will build and program a robot to perform tasks, discuss the future of robotics and where students may encounter them in the workplace and daily life.

ADULT CAMPS

June 10-13 and June 17-20

Learning to Play Piano 101

5:30 pm - 8:30 pm, Fairhope High, \$125

Age: 21+ Teacher: Diane Ham

Hands-on introductory class to learn beginning piano skills, basic rhythms, time signatures and intervals.
