

Dear Friends,

Join the Fairhope Educational Enrichment Foundation for its annual fall fundraiser **FEEF Presents School of Rock** on Friday, October 18, 2019, 6:30 p.m. at the Fairhope Civic Center. The night will pay tribute to great rock and roll and will have amazing food provided by Cactus Cantina, drinks and music provided by D'Jones Entertainment.

All proceeds from this exciting evening benefit FEEF and the STEAM (Science, Technology, Engineering, Art, Math) enrichment programs in all five Fairhope public schools.

Over the last 23 years, FEEF has provided over \$2.5 million in enrichment programs to our Fairhope students. These programs include the creation of the award-winning **Pelican's Nest Science Lab**, the **Black Box Theatre** at Fairhope High School, and the creation and sustained funding of the **piano, guitar** and **choral** programs at both the middle and high schools. As well as providing integral equipment for students such as **school-wide calculators** for testing, **band instruments, iPads** and **smart boards**.

Your support and generosity, by sponsoring FEEF events, provided **over \$192,700** to our schools for the 2018-2019 school year. This support continued to fund the hands-on **Science Labs** at Fairhope Intermediate and J. Larry Newton, provided upgrades to the **engineering, art** and **dance** classrooms at Fairhope High and funded **teacher classroom grants** that included **robotics, graphic design tablets, project based learning, guided reading programs**, and more.

These enrichment programs are critical to the development of our students and these opportunities would not exist without your support.

This year part of your event sponsorship will make you an honorary Friend of FEEF for your continued support of FEEF and our students. The inaugural Friends of FEEF campaign kicks-off this year and hopes to engage every member of our community to invest in providing enrichment to our students so they have the opportunities to excel.

We look forward to your support to make even more enrichment opportunities possible for our students. In this packet you will find all the information you need to be part of supporting our Fairhope students by sponsoring this FEEF event. Thank you for considering this investment in our children, our community and our future.

Sincerely,

FEEF 2019-2020 Board of Directors
