

Dear Friends,

Join your community in supporting Fairhope Educational Enrichment Foundation (FEEF) through our Annual Sponsorships for the 21-22 School Year. FEEF hosts fundraising events annually. Two of our larger events are the Fall event, “Paint the Town” to be held this year on October 22, 2021, in the streets of downtown Fairhope and the Annual Mayor’s Golf Tournament – being held on March 25, 2022, at Quail Creek Golf Course.

All proceeds from our fundraising efforts benefit STEAM (Science, Technology, Engineering, Art, Math) enrichment programs in all Fairhope public schools. Over the last 25 years, FEEF has provided over \$2.5 million in enrichment programs to our Fairhope students. Your support and generosity when sponsoring FEEF events provided over \$150,000 to our schools for the 2020-2021 school year. Take a look at some of FEEF’s accomplishments below.

Through the support of our community FEEF has created and sustained:

- The award-winning Pelican’s Nest Science Lab
- The Black Box Theatre at Fairhope High School (FHS)
- The new piano, guitar and choral programs at both the middle and high schools

FEEF also funds:

- Hands-on Science Labs at Fairhope High and J. Larry Newton
- Upgrades to the engineering, art, and dance classrooms at FHS
- Teacher grants for STEAM labs, robotics, graphic design, project based learning activities

In the Spring of 2021, in part due to the integral role FEEF plays in STEAM education within our community and schools, Fairhope West Elementary School and Fairhope East Elementary were both awarded the prestigious Cognia STEAM Accreditation.

Enclosed you will find all the information needed to support Fairhope students and FEEF through our Annual Sponsorship Packages.

Thank you for considering this investment in our children, our community and our future.

Sincerely,

FEEF Board of Directors
