

Dear Friends,

Join your community in supporting Fairhope Educational Enrichment Foundation (FEEF) through our Annual Sponsorships for the 22-23 School Year. FEEF hosts fundraising events annually. Two of our larger events are the Fall event, *"Pianos in the Park"* to be held this year on October 22, 2022, at the Halstead Amphitheater in downtown Fairhope and the Annual Mayor's Golf Tournament – being held on March 24, 2023, at Quail Creek Golf Course.

All proceeds from our fundraising efforts benefit STEAM (Science, Technology, Engineering, Art, Math) enrichment programs in all Fairhope public schools. Over the last 26 years, FEEF has provided over \$3 million in enrichment programs to our Fairhope students. Your support and generosity when sponsoring FEEF events provided over \$150,000 to our schools for the 2021-2022 school year. Take a look at some of FEEF's accomplishments below.

Through the support of our community FEEF has created and sustained:
The award-winning Pelican's Nest Science Lab
The Black Box Theatre at Fairhope High School (FHS)
The piano, guitar and choral programs at both the middle and high schools

FEEF also funds:

Hands-on Science Labs at Fairhope High, Fairhope East Elementary (FEES) Fairhope West Elementary (FWES), and J Larry Newton Elementary (JLN)
Upgrades to the engineering, art, dance and classrooms at FHS
Teacher grants for STEAM labs, robotics, graphic design, engineering and project based learning activities
In the Spring of 2021, in part due to the integral role FEEF plays in STEAM education within our community and schools, FWES and FEES were both awarded the prestigious Cognia STEAM Accreditation.

Enclosed you will find all the information needed to support Fairhope students and FEEF through our Annual Sponsorship Packages.

Thank you for considering this investment in our children, our community and our future.

Sincerely,
FEEF Board of Directors
